Declaring a Major in the College of Fine Arts

Pre-Major Status:

New students are eligible for enrollment in the College of Fine Arts as “pre-majors” if they indicate an interest in one of the disciplines in fine arts on their general UNM admission application and meet general admission requirements to the University. Current UNM students may move from another degree program into pre-major status in the College of Fine Arts. This means a student intends to major in a fine arts discipline and is working on meeting the criteria listed below for admission to the College of Fine Arts as a declared major. In general, pre-major status does not prevent a student from taking classes in their major. More information is available in the *UNM Catalog*.

Requirements for Admission into the College of Fine Arts as a Declared Major:

- Completion of 26 hours of earned credit.
- A grade point average of at least 2.50 in all hours attempted at UNM or a grade point of at least 2.50 in the last 30 hours attempted.
- Competency in English writing as demonstrated by completion of ENGL 1110 (or ENGL 1110Y or 1110Z) with a grade of C or better, or placement past this level with approved placement test.
- Competency in Mathematics as demonstrated by completion of MATH 1215Y or General Education-level Mathematics with a grade of C or better, or placement into General-Education level Mathematics by approved placement test.
- Completion of 12 credit hours of course work in the major area with at least a 2.50 grade point average. Please note that each degree has a higher major GPA requirement for graduation. See individual degree plan for more details.

Additional Program-Specific Requirements:

Art Studio Students:

- Completion of ARTS 1220: Art Practices I and ARTS 1230: Art Practices II with grades of C or better.
- Students pursuing a BFA in Art Studio must complete a portfolio review process and be accepted to the BFA in Art Studio program.

Dance Students:

- Pre-approved acceptance into program by audition/interview.
- Auditions are held ONCE per year, on the last Friday of January from 10:00 AM – 5:00 PM in the North Arena studio in the dance building on the UNM campus. The audition consists of ballet, modern, and flamenco. Participants will also show a one minute work of their own choreography or an excerpt of a piece performed in the past, followed by a short interview with the dance audition committee.
- Dance majors must see Marisol Encinias, faculty advisor for Dance (marisole@unm.edu).

Interdisciplinary Arts Students:

- A completed plan of study approved by the faculty advisor for the BAIA degree.

Music Students:

- BM and BME students: An Approval to Concentrate in appropriate instrument or voice as demonstrated by completion of the first 2 semesters of Applied Music and enrollment in 3rd semester is required. A signed form is required. Access the form at <https://music.unm.edu/student-resources/>.
 - BME Students: Satisfactory completion of MUSC 1410: Introduction to Music Education and MUSE 1890: Introductory Teaching Practicum is necessary for acceptance into the Music Education degree program.
-

Admission Process:

Students are admitted to the College of Fine Arts as a declared major through an automated admission process. In the semester following a student completing their full admission requirements, students are moved into declared status. In some rare instances, students are admitted manually by their academic advisor because of issues in the automation system.

Graduation Requirements - Bachelor's Degrees

UNM Catalog 2023-2024 - <http://registrar.unm.edu/UNM%20Catalog/index.html>

The following information outlines general graduation requirements for a bachelor's degree from the College of Fine Arts (CFA) at the University of New Mexico (UNM). Students should review this information at least once a semester, ideally when they make plans for the next semester, to remind themselves of these requirements. Students are responsible for knowing the rules and regulations for satisfying all graduation requirements. Academic advisors are available to help students keep track of these requirements. Students should check in with an academic advisor regularly throughout their academic journey for guidance and support.

1. **Catalog Requirements**

- Students must follow the degree requirements in place at the time of their admission to the College of Fine Arts as a pre-major. If degree requirements change in future catalogs, students may choose to update to a more recent catalog. Students should consult with their academic advisor about if a catalog update will benefit them.
- Students who do not enroll at UNM for three or more consecutive semesters (including summer), must comply with requirements in effect at the time of re-enrollment.
- *Catalog* requirements expire after 10 years. If a student is pursuing requirements in a Catalog that is more than 10 years old, they must update to requirements in the current *Catalog*.

2. All bachelor's degrees require a minimum of 120 total credit hours. Some degrees require more than 120 hours.

- Students must earn at least 42 hours of upper division, courses at the 300 and 400 level. These classes can apply to any area of their degree requirements including major, fine arts outside the major, and electives.

3. All undergraduate students must complete the General Education Curriculum as outlined in the catalog: [2023-2024 General Education](#).

- General Education classes must be completed with a grade of C or higher (not C-).
- English 1120, which partially satisfies Communication General Education, is required for all undergraduate degrees unless a student places out of the course with an approved placement exam.
- Some CFA degrees require specific classes outside the major which may be used to partially fulfill GenEd requirements. Consult the specific degree in the catalog or advisement materials for further information.

4. Students must complete at least one course from the U.S. and Global Diversity and Inclusion requirement. The full list of currently approved courses is available at gened.unm.edu. This class may apply to any area of the degree including General Education, major, fine arts outside the major, and electives.

5. **GPA Requirements**

- Students must have a minimum 2.00 cumulative GPA from UNM and a 2.00 on all courses taken while a student in the College of Fine Arts.
- Students must have a minimum of a 2.75 major GPA. Some degrees require a higher major GPA.

6. A maximum of 4 hours of Physical Education Non-Professional (PHED) classes can apply to a student's degree. PHED is not required for graduation.

7. Grade Requirements

- Students must earn a grade of C or higher (not C-) for any major course requirement. This also applies to "supportive coursework" which refers to courses required for a specific degree/program, but not within the major subject area. In general, only courses utilized for "Electives in Any Field" or "Electives Outside the Major" requirements may be below a C grade.
- Students must take classes in their major (and optional minor) for a letter grade, not under the credit/no-credit (CR/NC) grade system. Classes that are only offered as CR/NC are exempt from this requirement.
- A maximum of 24 hours CR/NC coursework may apply to the degree.

8. Residence Requirements – In order to earn a degree from UNM, students must earn at least a certain number of hours at UNM as outlined below.

- Students must earn a minimum of 30 hours from UNM. At least 15 of these hours must be earned after a student has earned 92 hours (senior standing). These hours do not have to be the last hours a student earns for their degree program.
 - Students who are interested in being eligible for baccalaureate honors must have a 3.50 cumulative UNM GPA and earn a minimum of 60 hours from UNM. Full information in the *Catalog* in "The Undergraduate Program" section.
 - One half of the number of hours required for the major must be earned at UNM.
 - If a student chooses to pursue an optional minor, one fourth the number of hours required for the minor must be earned at UNM.
 - Students must be admitted to the College of Fine Arts as a declared major for at least one semester to meet CFA residency requirements.
 - Students must be admitted to the College of Fine Arts as a declared major in their final semester.
 - Students must earn at least 12 hours from UNM while a declared major in the College of Fine Arts.
9. Students must submit an application to graduate to their advisor in the semester prior to their final semester. For summer or fall graduation, the deadline is April 1. For spring graduation, the deadline is November 1. Failure to submit an application by the deadline may impact graduation and financial aid.
10. A student cannot graduate with incomplete (I) or non-reported (NR) grades on their transcript. If a student has an incomplete or non-reported grade on their transcript at the end of the semester they plan to graduate, their degree will not be certified and they will have to submit a new application to graduate in a future term.
11. Once a student has completed academic requirements for a degree (certificate, associate, bachelor's, master's, Ph.D.) and has received the diploma and appropriate notations on the official transcript, no modification of the student's academic record leading to that degree will be made by the University of New Mexico.
12. The University of New Mexico reserves the right to make changes to the curricula and degree requirements as deemed necessary, with changes being applicable to currently enrolled students.
