MUSIC THEORY PLACEMENT EXAMS

DIAGNOSTIC EXAM FOR THEORY I AND AURAL SKILLS I (FRESHMAN THEORY):

The diagnostic exam for MUS 150 *Music Theory I* and MUS 150L *Music Theory I Aural Lab* should be taken online before enrolling in classes for the fall semester (preferably during May). The intent of the test is to assess whether your current knowledge in the area will enable you to do well in these classes. The exam is advisory and not binding; you will take an official and binding exam on the first day of the fall semester. Your score on the online exam will help you to determine whether you should enroll in Theory I (MUS 150/150L) or Music Fundamentals and its aural lab (MUS 130/130L). MUS 150/150L and MUS 130/130L are both offered in the fall semester. For students who take MUS 130/130L in the fall, MUS 150/150L may be taken in the spring, and MUS 152/152L in the summer. Students required to take Fundamentals (130/130L) in the fall are expected to make plans to take Theory I in spring and Theory II in summer to be on track to take Music Theory III and IV (MUS 250 and 252) in their second year. Note that MUS 130/130L does not count toward the requirements for a major in music, but may nevertheless be of great benefit to your overall progress in the theory courses that are required for your degree.

The following topics are on the diagnostic exam:
- Note reading
- Key signatures
- Intervals
- Triads in root position and inversion
- Aural detection of melodic direction

If you will be enrolling in MUS 150/150L in the fall semester and are concerned about the level of your theory or aural skills, please consider taking the online eTheory course offered through the Eastman School of Music over the summer ([http://www.esm.rochester.edu/iml/store/product/music-theory-fundamentals/](http://www.esm.rochester.edu/iml/store/product/music-theory-fundamentals/)). You may also choose to take this course over the summer to prepare to place into MUS 150/150L during assessment at the beginning of the term. Please do not hesitate to seek advice from your instructor(s) early in the semester if you discover that the material is proving to be too difficult or the pace of the class is too fast for you. You must be making progress through the theory program in order to continue as a music major, so we want you to do well in this very important area of the field of music!

THEORY PLACEMENT EXAM FOR UNDERGRADUATE TRANSFER STUDENTS:

All transfer students will be given a theory, aural skills and sight-singing proficiency examination for the purpose of determining the level of competency in these areas. If test results reveal deficiencies, transfer students will be required to remove such by enrolling and successfully completing one or more semesters of courses in the theory curriculum.

**NOTE:** The theory exam for undergraduate transfer majors is the same as that given to incoming Theory & Composition graduate students. It is used as a diagnostic tool to help us place you in the correct level theory course, and it is expected that you will not know all the material asked.

You may access a practice exam in the *Music Undergraduate Student Handbook* at: [http://music.unm.edu/student-resources/](http://music.unm.edu/student-resources/)

Please contact **Dr. Richard Hermann** (harhar@unm.edu) via email to arrange to take the test.
For more information please contact the Music Department at 505.277.2127
Piano Requirements

The following degrees require completion of Piano Proficiency (MUS 214):

- Bachelor of Music, Performance concentration (Instrumental and Vocal Emphases)
- Bachelor of Music, Jazz Studies concentration
- Bachelor of Music, String Pedagogy concentration
- Bachelor of Music, Theory and Composition Concentration
- Bachelor of Music Education
- Music Education Minor

Piano Proficiency Exam

Students are expected to complete the Piano Proficiency exam by the end of their sophomore year. The exam is administered during final exam week in the fall and spring semesters and consists of major and minor scales, major and minor chord progressions, arpeggios, sight-reading, and solo repertoire at the intermediate level. Music Education majors have additional harmonization and score reading requirements.

In addition to being a degree requirement for the programs listed above, successful completion of the Piano Proficiency exam impacts student eligibility for other elements of the Music program including recitals, student teaching, and applied lessons in piano. Detailed information regarding these restrictions and content of the Piano Proficiency exam is available in the Undergraduate Student Handbook, which can be accessed at http://music.unm.edu/student-resources/.

Group Piano

The Group Piano sequence (MUS 111, 112, 211, 212) is designed to prepare students for the Piano Proficiency exam. Students are expected to begin enrollment in Group Piano in their first semester and continue progress until the proficiency requirement is satisfied. Students who have prior knowledge and experience in piano and would like to discuss placement should contact the Piano Proficiency Coordinator, Martha Dalager (shoechopin@unm.edu).

Recital Attendance (MUSC 1310)

Students pursuing any Music degree (BA, BM, BME) must earn Recital Attendance credits in order to gain their degrees. In order to earn credit, students register for MUSC 1310 and attend 15 performances put on by the UNM Music Department in the course of the semester. Credit can be earned by attending the MUSC 1310 scheduled class time (Thursdays 2:00-2:50) as well as UNM Music Department concerts. A schedule of events is available on the Music Department website http://music.unm.edu/. MUSC 1310 is offered for 0 credit hours and is graded on a credit/no credit grade system.

BA and BM Music majors must earn 6 semester credits of MUSC 1310 for their degree. BME Music Education majors must earn 4 semester credits of MUSC 1310. Transfer students with over 60 credit hours of transfer work must earn 2 semester credits of MUSC 1310. Concert credit may not be carried over beyond the end of the semester. Students may earn double credit (2 credits) by attending 30 concerts in a semester.

Graduation Requirements - Bachelor’s Degrees

- Graduation from the University of New Mexico is not automatic. Application for candidacy for graduation is required. During the semester prior to graduation, the application for degree must be completed by appointment with an Academic Advisor in the College of Fine Arts Student Success & Advisement Center, Center for the Arts 1103. For summer or fall graduation, the deadline is April 1. For spring graduation, the deadline is November 1. If you fail to submit the application by the deadline, your graduation may be delayed.

- Undergraduate students may graduate under the requirements in the Catalog issue in effect at the time of their admission into the college or school from which they are seeking a degree. If students transfer from one degree-granting college or program to another within the University, they must comply with the Catalog requirements in effect at the time of their transfer. Notwithstanding the above, the University of New Mexico reserves the right to make changes in the curricula and degree requirements as deemed necessary, with the changes being applicable to currently enrolled students.

- Students who interrupt their degree program and are not enrolled for three or more consecutive semesters (including summer), must comply with Catalog requirements in effect at the time of re-enrollment.

- Students are responsible for knowing the rules and regulations concerning graduation requirements and for satisfying all graduation requirements. Advisement at the specific department/program level as well as the college level is strongly recommended to assure timely graduation. Students who take more than 10 years to graduate from the date of their original admission must conform to the Catalog in effect in the semester in which they intend to graduate.

Candidates for an undergraduate bachelor’s degree must meet the following University minimum degree requirements and are subject to the following University limitations:

1. The student must be admitted to the UNM College from which the degree is awarded at the time of graduation.

2. A minimum of 120 semester hours of earned credit is required. Of these, at least 42 hours must be completed in courses numbered 300 or above.

3. Complete the University General Education Curriculum. 
   See Catalog for more details: http://catalog.unm.edu/catalogs/2019-2020/undergrad-program.html
   See CFA and departmental sections of the Catalog for details on degree-specific core requirements.

4. The student must complete the 3 credit hours U.S. and Global Diversity and Inclusion requirement. The full list of approved courses is available at http://diverse.unm.edu/

5. The student must have a minimum cumulative grade point average of 2.00. Students must achieve a grade point average of 2.00 or higher on all hours attempted while enrolled in the College of Fine Arts.

6. Students must graduate with a minimum 2.75 grade point average in their major. However, some degrees may require a higher major grade point average to satisfy graduation requirements. See departmental sections of the Catalog for details.

7. The student must demonstrate a minimum competence in English writing by passing ENGL 1120 with a “C” or better, or attaining a suitable score on an authorized proficiency test prior to graduation.
8. A maximum of 24 semester hours of pass/fail (CR/NC) grading option courses may be applied toward a baccalaureate degree.
   - Courses that are part of the student’s major or minor (as defined by the major or minor department) with the exception of those courses especially approved for use of pass/fail (CR/NC) grading, cannot be taken for CR/NC grading.

9. A maximum of 40 semester hours of extension and correspondence (independent study) credit may be applied toward a baccalaureate degree and no more than 30 of these hours may be correspondence credit.

10. **Residence credit requirement:** A minimum of 30 semester hours of credit, exclusive of extension and correspondence (independent study) credit, must be earned at the University of New Mexico. Of these 30 semester hours in residence, 15 semester hours must be earned after the candidate has accumulated 92 hours of earned semester hour credit; these 15 hours, however, do not necessarily have to be the last hours of a degree program. A student may fulfill all or part of this residence requirement by attending summer session.
   - To be eligible for baccalaureate honors, students must earn at least 60 credit hours from the University of New Mexico and a minimum scholastic index of 3.50. Full information can be found in “The Undergraduate Program” section of the *Catalog*.

11. **Major and minor residence requirements:** At least one half of the minimum number of credit hours required for major study and one-fourth of the minimum for minor study must be class or laboratory work earned in residence at the University of New Mexico. A senior transfer student may satisfy this requirement, with the approval of the major department, with at least one-fourth of the total minimum hours required for the major.
   - A minimum of one semester of resident enrollment is required after admission [as a declared major] to the College of Fine Arts; in any case, you must be enrolled in the College of Fine Arts [as a declared major] for your final semester at UNM.
   - A minimum of 12 semester hours must be earned while enrolled in the College of Fine Arts [as a declared major].

12. A student is not permitted to graduate if unresolved incomplete (I) grades or not reported (NR) grades are on the student’s academic record. It is the student’s responsibility to resolve any and all incomplete or not reported grades by the published ending of the semester in which graduation occurs.

13. Once a student has completed academic requirements for a degree (certificate, associate, baccalaureate, master’s, Ph.D.) and has received the diploma and appropriate notations on the official transcript, no modification of the student’s academic record leading to that degree will be made by the University of New Mexico.

14. No more than 4 hours of non-professional physical education (PHED) courses may be counted toward a CFA degree.
